

## **HELPFUL ANSWERS 2**

**QUESTION 1:** Given the current water levels and future projections, what experiences in Lake Mead National Recreation Area are most important to you? What kind of experiences do you want future visitors to have when they come to the park?

**Boating access and continued launch ramp extensions at Hemenway Harbor.**

**QUESTION 2:** Given your response to Question #1 regarding important experiences for you and future visitors, what barriers might get in the way of enjoying or visiting Lake Mead National Recreation Area? What barriers might prevent you from achieving your desired experiences?

**The only thing that will stop me from boating on Lake Mead is if NPS takes my access away and does not extend ramps. Option 1 is the only option for all sites.**

**QUESTION 3:** Please provide input on the preliminary management concepts. What do you recommend the planning team consider, to address barriers and/or key issues, given the rapid decline in water levels?

**Keep extending ramps and look outside the box to make things better. Do not give up because it is hard. Option 1 is the only option for all sites.**

**QUESTION 4:** What actions is the park currently taking to manage these issues that you'd like to see continue?

**NPS has done a great job at Hemenway. Please keep it up and more for Callville and Temple.**

**QUESTION 5:** Other thoughts you'd like to share with the project team?

**Launch ramps must be provided by NPS**

**COMMENTS:**

**Concept 1 is the only option.**
