

HELPFUL ANSWERS 1

QUESTION 1: Given the current water levels and future projections, what experiences in Lake Mead National Recreation Area are most important to you? What kind of experiences do you want future visitors to have when they come to the park?

**Launch Ramps, Park Access, & Infrastructure
Concessions, storage, supplies, fuel facilities
Slips & boat rentals
Restaurants & marina stores**

QUESTION 2: Given your response to Question #1 regarding important experiences for you and future visitors, what barriers might get in the way of enjoying or visiting Lake Mead National Recreation Area? What barriers might prevent you from achieving your desired experiences?

**Lack of launch ramp access will stop boaters.
Services are essential, not having available services in the park will stop visitors from coming.
Marinas allow for easy access to enjoy Lake Mead.
It is vital to the everyday boater, seasonal boater, boat renter, and traveler**

QUESTION 3: Please provide input on the preliminary management concepts. What do you recommend the planning team consider, to address barriers and/or key issues, given the rapid decline in water levels?

Concept 1 is the only option for all sites. Maintain access, infrastructure, launch ramps, and businesses.

QUESTION 4: What actions is the park currently taking to manage these issues that you'd like to see continue?

Communication to public through Social Media

QUESTION 5: Other thoughts you'd like to share with the project team?

**No PRIVATE Launch Ramps – this is a National Recreation Area that we pay to access and enjoy –
Launch ramps must be provided by NPS**

COMMENTS:

Concept 1 is the only option. Lake Mead is a national treasure. Boaters, Hikers, kayakers, locals, visitors, tourists, foreigners, naturalist. Services & Access must be maintained!!!

Boating & travel brings visitors here to the park. Lake Mead is part of the National Park System for the people.
